# Welcome to A Night at the Musicals

Welcome to **A Night at the Musicals: The Show Must Go On**, an evening celebrating the music, stories and unforgettable moments that have made musical theatre one of the world's most beloved art forms.

Tonight's concert brings together songs from some of the greatest shows ever written, performed by a company of talented singers who share a passion for bringing the magic of theatre to life. From soaring ballads and powerful ensemble numbers to crowd-pleasing favourites, this is a celebration of the joy, emotion and escapism that only musical theatre can provide.

This performance also marks a special milestone as **MTDXB celebrates its fifth anniversary**. What began in 2021 amidst COVID-restrictions as a small group of musical theatre enthusiasts determined to keep performing during challenging times has grown into an **award-winning**, non-profit community that has welcomed hundreds of performers, staged ten productions, and built a reputation for bringing high-quality musical theatre to audiences across the UAE.

Over the past five years, **MTDXB** has been privileged to present beloved productions including **The Addams Family, Grease, Guys & Dolls** and our forthcoming production of **Hairspray**, alongside concerts, pantomimes, flash mobs workshops and special events. More importantly, it has become a home for a diverse and supportive community united by a shared love of theatre.

As we celebrate this anniversary, we would like to **thank every performer, creative, volunteer, sponsor, supporter and audience member** who has been part of our journey. Your enthusiasm, dedication and encouragement have helped shape **MTDXB** into what it is today.

Whether you have been with us since the beginning or are joining us for the very first time, **thank you for being here and helping us celebrate five wonderful years of musical theatre in Dubai.**

Now, sit back, relax and enjoy the show.

**The show must go on!**

# MTDXB

5 YEARS OF MUSICAL THEATRE DUBAI

## The MTDXB Story: Five Years of Musical Theatre, Friendship and Resilience

**Musical Theatre Dubai** was founded in 2021 by a group of passionate theatre lovers who believed that, even during the uncertainty of the pandemic, **the show should go on.**

What began as a way of bringing performers together at a time when stages around the world had fallen silent quickly evolved into something much bigger. Built on a shared love of musical theatre and a desire to create opportunities for performers of all backgrounds and experience levels, **MTDXB has grown into one of the UAE's leading community theatre organisations.**

Over the past **five years**, we have been privileged to bring a wide range of productions and events to the stage. From our debut full-scale production of **The Addams Family** in 2022, through to **Grease**, **Guys and Dolls**, our family pantomime **Cinderella**, concerts, cabaret performances, workshops, flashmobs and special events, each production has brought together **talented performers, creatives, volunteers and supporters** from across Dubai and beyond.

Along the way, we have celebrated many successes while continuing to build a welcoming and inclusive community where **lifelong friendships are formed** and performers can challenge themselves, grow in confidence and share their talents with audiences.

One of the defining milestones in **MTDXB's** story came in 2025 at the inaugural **DXB Theatre Awards**. Across our productions and creative teams, **MTDXB and our performers received 13 awards from 20 nominations**, including the prestigious **Best Theatre Group** award. For a company that began as a small community initiative just four years earlier, the recognition was both humbling and inspiring, and reinforced our belief that **exceptional community theatre can thrive in Dubai.**

5 YEARS OF MUSICAL THEATRE DUBAI

This year, as **MTDXB prepared to celebrate our fifth anniversary**, we looked forward to an exciting milestone: **our tenth major production, *Hairspray***. With a cast of almost sixty performers, a dedicated production team and months of preparation already underway, the show was set to be one of our most ambitious projects to date.

However, as rehearsals progressed, circumstances beyond our control presented significant challenges. Regional uncertainty, the temporary closure of our rehearsal and performance venue, and the practical difficulties of continuing a large-scale production with a geographically dispersed cast ultimately led to the **difficult decision to postpone the show**.

It was a decision made with heavy hearts. Our cast, production team and committee had already invested countless hours of work, creativity and passion into bringing ***Hairspray*** to life. While disappointing, the decision reflected our commitment to the safety and wellbeing of everyone involved and our determination to ensure that the **production receives the platform it deserves when the time is right**.

Rather than allowing our anniversary year to pass without taking to the stage, we chose to create something a bit different, **which harks back to our very first show in 2021**, also titled ***A Night at the Musicals***.

***A Night at the Musicals: The Show Must Go On*** was born from the desire to celebrate everything that **MTDXB** represents: resilience, community, creativity and a shared love of musical theatre. Bringing together performers from across our company, tonight's concert showcases songs from some of the world's most beloved musicals while giving us the opportunity to **celebrate five remarkable years of MTDXB with some of the people who have made the journey possible**.

**To every cast member, creative, volunteer, sponsor, supporter and audience member who has been part of our story, thank you. Your belief, enthusiasm and generosity have helped transform a small community initiative into an award-winning theatre group that continues to thrive.**

Five years on, our mission remains unchanged: **to create opportunities, build community and share the joy of musical theatre**.

And as tonight's title reminds us, whatever challenges may arise, **the show must go on**.

# Keeping Community Theatre Alive in Dubai

**Producing musical theatre in Dubai is a labour of love.**

Unlike many established theatre communities around the world, community theatre groups in the UAE operate **without dedicated public funding, permanent performance venues, or extensive backstage infrastructure.** Every production requires the **collaboration of volunteers** who generously give their time, talent and expertise alongside their careers, studies and family commitments.

From venue hire, rehearsal spaces, costumes, sets and technical equipment, to licensing, marketing and production costs, **staging a musical is a significant undertaking.** Yet it is one that we believe is **worth every moment,** because of the **opportunities it creates for performers, creatives and audiences** to come together and experience the magic of live theatre.

Over the past five years, **MTDXB** has grown into an **award-winning community** that has welcomed hundreds of performers and entertained thousands of audience members. As we look ahead to the next chapter of our journey, the **support of individuals, businesses and community partners is more important than ever.**

By partnering with **MTDXB**, sponsors help us continue creating high-quality productions, **provide opportunities for emerging and experienced performers** alike, and ensure that **community theatre remains accessible and sustainable in Dubai.**

Whether through financial sponsorship, in-kind support, corporate partnerships or promotional collaboration, **every contribution helps us bring stories to the stage** and create memorable experiences for our audiences.

**If you or your organisation would like to get involved and support MTDXB, we invite you to download our Sponsorship Pack to learn more about the opportunities available.**

**Together, we can ensure that the curtain continues to rise for many years to come.**

Become part of the story. [Download our Sponsorship Pack](#) and help shape the future of community theatre in Dubai.
